Active Ingredients for Scrubber Whitening Gel Mask

Product Name: (cleanser and closure open facial skin pores)
(Kojic Acid - Oyster and crab shell)
(for Face and body)
(VITA FREESIA GEL)

Product Effects:

This mask is ideal for oily and combination skin with pigmentation, especially for skin that has lost its vitality due to a lack of consistent care. Infused with kojic acid and niacinamide, this mask effectively brightens your complexion and reduces the appearance of dark spots. Formulated with soothing allantoin, hydrating glycerin, and nourishing aloe vera extract, this mask leaves your skin feeling soft and supple. Experience visibly reduced pores, a radiant glow, and a refined skin texture with consistent use. Vitamin E, a powerful antioxidant, supports skin rejuvenation and brightening, while aloe vera provides deep hydration and soothing benefits.

Ingredients:

Purified Water, Kojic Acid, Niacinamide, Allantoin, Dexpanthenol (Pro-Vitamin B5), glycerin, aloe vera extract, vitamin E, polysorbate 80, citric acid, Carbomer gel, Triethanolamine, phenoxyethanol, Thickener, Nano micro calcium carbonate powder, Nano micro zinc dioxide powder, Nano micro pomegranate powder, Nano micro lemon powder, Nano micro mango powder, Nano micro oat powder, Nano micro grape powder, , Nano micro achillea powder, Nano micro orange powder, Nano micro crab shell powder, Nano micro algae powder, Nano micro algae powder, Nano micro kiwi powder and Nano micro sandalwood powder.

Ingredients and Benefits:

Aloe Vera: Provides deep hydration and soothing properties, leaving skin feeling soft and supple.

Dexpanthenol: Acts as a powerful humectant, improving skin's softness and smoothness.

Allantoin: Offers soothing and healing properties, providing relief to sensitive skin.

Kojic Acid: A natural brightening agent that helps to reduce the appearance of dark spots and even out skin tone.

Alpha Arbutin: Another skin-lightening agent that inhibits the enzyme responsible for melanin production, resulting in a more radiant complexion.

Niacinamide: In addition to its other benefits, niacinamide helps to brighten skin and reduce the appearance of dark spots.

Vitamin E: A powerful antioxidant that helps to protect the skin from environmental damage and promotes a youthful glow.

Direction for Use:

1. Cleanse your face thoroughly.
2. Apply a generous layer of the mask to your face, avoiding the eye and mouth area.
3. Leave on for 15 minutes.
4. Rinse off with lukewarm water.
5. Follow with your favorite moisturizer.

Benefits:

- Suitable for oily skin with blemishes.
- Minimizing pore size.
- Reduce the appearance of enlarged pores and fade dark spots.
- Improves skin texture and clarity
- Soothes and hydrates the skin
- Protects the skin from environmental damage.

Precautions:

- Patch test before first use.
- Avoid contact with eyes and mouth.
- Discontinue use if irritation occurs.
- Store in a cool, dry place.
