Active Ingredients for Protein Nutritious Gel Mask

Product Name:

(Rosehip Oil- Caviar and Pearl)
(GOLDEN DAFFODIL GEL)

Product Effects:

This mask is specifically designed for tired, damaged skin. It works to strengthen and firm the skin, provide deep nourishment, reduce wrinkles and improve lifting, enhance radiance and softness, balance skin pH, control sebum production, and hydrate the skin. It prepares the skin for subsequent treatments such as non-injection mesotherapy, injection mesotherapy, microdermabrasion, microneedling, peeling, hydrotherapy, vitamin therapy, collagen therapy, massage, and makeup application. Ideal for those who have neglected their skin care routine, this mask delivers visible results in as little as two weeks with daily use

Ingredients:

Purified Water, Rosehip Oil, Niacinamide, Allantoin, Dexpantenol (Pro-Vitamin B5), glycerin, aloe vera extract, vitamin E, polysorbate 80, citric acid, Carbomer gel, Triethanolamine, phenoxyethanol, Lecithin, Thickener, Nano micro ginger powder, Nano micro pearl powder, Nano micro ginkgo biloba powder, Nano micro caviar powder, Nano micro algae powder, Nano micro kaolin powder, Nano micro cocoa powder, Nano micro olibanum powder, Nano micro violets powder, Nano micro lavender powder, Nano micro sweet almond powder, Nano micro wheat sprout powder, Nano micro cardamom powder and Nano micro vervain powder.

Ingredients and Benefits:

Aloe Vera: Provides deep hydration and soothing properties, leaving skin feeling soft and supple.

Panthenol: Acts as a powerful humectant, improving skin's softness and smoothness.

Allantoin: Offers soothing and healing properties, providing relief to sensitive skin.

Rosehip Oil: Provides deep nourishment, increases skin elasticity, and contains essential fatty acids and vitamin E.

Alpha Arbutin: Another skin-lightening agent that inhibits the enzyme responsible for melanin production, resulting in a more radiant complexion.

Niacinamide: In addition to its other benefits, niacinamide helps to brighten skin and reduce the appearance of dark spots.

Vitamin E: A powerful antioxidant that helps to protect the skin from environmental damage and promotes a youthful glow.

Direction for Use:

1. Cleanse your face thoroughly.
2. Apply a generous layer of the mask to your face, avoiding the eye and mouth area.
3. Leave on for 15 minutes.
4. Rinse off with lukewarm water.
5. Follow with your favorite moisturizer.

Benefits:

- Suitable for oily skin with blemishes.
- Minimizing pore size.
- Reduce the appearance of enlarged pores and fade dark spots.
- Improves skin texture and clarity
- Soothes and hydrates the skin
- Protects the skin from environmental damage.

Precautions:

- Patch test before first use.
- Avoid contact with eyes and mouth.
- Discontinue use if irritation occurs.
- Store in a cool, dry place.
