- No annoying smell**
- Apply your skin type moisturizer.**
- Moisturizing, softening, film-forming protective gel**
- Skin protection**
- Intimate hygiene**
- Anti-aging**
- Hydrating**

## General Product View:

Active ingredients obtained by Pacific Ocean brown algae extract (Phaeophyceae) perform a film-forming, hydrating, softening, and moisturizing activity. Thanks to its high concentration of carrageenan, Brown Alga Gel is an active ingredient that can perform a protective action on the cutaneous layer and restore skin to its natural conditions, providing a fresh touch to skin care formulations. Suitable for personal care products.

Get to cleaner, clearer, and hydrated skin, gently. Combined with water, the Algae powder made of highly concentrated French brown algae, transforms into a velvety-soft gel that can be used for hydrating, as a lifting mask. Suitable for all skin types, including sensitive and acne-prone skin. Vegan-friendly.

## Ingredients:

Aqua, Ocean brown algae extract (Phaeophyceae), Pentylene Glycol, Oligopeptide-1, Niacinamide, Allantoin, Dexpanthenol(Pro-Vitamin B5), Aloe Barbadensis Leaf Juice, Persea Gratissima (AVOCADO) Fruit Extract, Cucumis Sativus (CUCUMBER) Fruit Extract, Cetearyl Glucoside, Saccharide Isomerate, Camellia Sinensis Leaf Extract, Arginine, Hydroxy Ethyl Cellulose, Allantoin, Dipotassium Glycyrrhizate, Ceramide3, Alchemilla Vulgaris Extract, Tocopheryl Acetate, Algin, BHT

## Direction for Use:

- 1- Cleanse skin.
- 2- Apply 6 ml of algae gel evenly to the entire surface of your face.
- 3- Evenly spread onto the face, leave out hairline and eyebrows.
- 4- Gently spread on the skin even the eyelid and eye contour, and let it work for 30-45 minutes.
- 5- Take off the algae mask very thoroughly with a moist towel or wash with lukewarm water.

## Caution:

This product is only for topical use (Non-injection)

This product is not for drinking or eating.

Do not apply this Algae Gel on the eyelids, open wounded, scratched skin, and mucous membranes.

Please keep it in cool place and away from light.

## Safety:

Keep away from the reach of the children.
